

Dear candidate,

“The prospective candidate who missed out on blocking his/her seat with reference to the earlier offer or who had failed to report for registration after blocking the seat should submit his/her consent for admission to said programme/course by email on admission@mail.jnu.ac.in latest by 19th August, 2019 (11.50PM) and consent for blocking of seat/permission for registration, as the case may be. It is further informed that seeking consent from the interested candidate does not confer any right on the candidate to get admission, as final offer for admission would be allowed subject to seat availability (category wise) and order of merit. The number of seats available in each programme course wise has been mentioned on JNU website (admissions.jnu.ac.in) for information. In case candidate fails to respond within the given time, no further correspondence will be entertained in this matter”.
